

Health Safety

We would like to thank you for your trust and are delighted to welcome you back to our Maison d'Hôtes.

In addition to complying with the hygiene standards required by the hotel industry, we have devised a protocol dedicated to this particular health situation in accordance with the strict guidelines of the French Government.

All our staff has been trained to perform according to the new operating procedures to ensure your health safety whilst staying with us.

1. The wearing of masks is mandatory for staff and customers in public areas.

2. Respect social distancing in public spaces.

3. All public areas are provided with disinfectant hydro-alcoholic gel.

4. Disinfection of public areas and rooms according to a rigorous protocol and using certified cleaning and disinfection products.

5. Follow staff orders.

Guests will have access to the **served breakfast buffet** *in turns*, ensuring that all necessary safety measures (social distancing and the compulsory wearing of masks and gloves) are applied.

Alternatively, breakfast will be provided **as a take-away** to be consumed in the room.

Merci !

L'Equipe du Pavillon de Pampelonne
